Banana Clip

Miguel

There's a war, on love
Just look around you
It's hard to know, who to trust
I'm glad I found you
You and me, we climb higher
Baby crescendo (yeah)
Gotta love, it won't stop
It's that extendo(Girl) M16 on my lap
We hear missiles in the sky
No matter where I go on the map
You got my protection
Banana clip on my love for you (yeah)
Let it ring like (graa)
Yeah, I let it ring like (graa)
It's like I'm trigger happy (hahaha)
Banana clip on my love for you (ooh)
Let it ring like (graa)
Yeah, I let it ring like (graa)
I guess I'm trigger happy
You know I stay down, way down for you
Talking limbo
And my love, it won't stop, got that extendo(Girl) M16 on my lap
A lot of terror on her mind
No matter where I go on the map
You got my protection
Banana clip on my love for you (yeah)
Let it ring like (graa)
Yeah, I let it ring like (graa)
It's like I'm trigger happy (hahaha)
Banana clip on my love for you (ooh)
Let it ring like (graa)
Yeah, I let it ring like (graa)
I guess I'm trigger happy
They can't see me, I got the camo, yeah
Ready? Yeah, I'm ready like a rebel, yeah
Gotta hate that the love got the memo
I put the 'D' in defender
You know I never surrender
No, no, no...For you, I let it ring like (graa)

Yeah, I let it ring like (graa)
It's like I'm trigger happy (hahaha)
Banana clip on my love for you
I let it ring like (graa)
Ohh, ohh... trigger happy (hahaha)
