

Again

Radney Foster

Ain't it funny
The turns life puts you through
Dont know whats round the bend
Lord you dont know where its leading you
Close your eyes, say a prayer
Take it on the chin
Its the darnedest thing
Who comes round again
Baby, I thought that love was
Over and gone forever
Never gonna come back to me
Never gonna hold me again
But your love
Pounds in my heart like thunder
Flashes through me like lightning
Making me believe again
Dont know what I'm supposed to say
Ain't got a clue 'bout what I need to do
All I know is how I feel right here
Right now with you
Baby, I thought that love was
Over and gone forever
Never gonna come back to me
Never gonna hold me again
But your love
Pounds in my heart like thunder
Flashes through me like lightning
Making me believe again
Baby, I thought that love was
Over and gone forever
Never gonna come back to me
Never gonna hold me again
But your love
Pounds in my heart like thunder
Flashes through me like lightning
Making me believe again
Making me believe again
Making me believe again
