Freedom Slave

Sacrifice

Advisory - the following lyrics contain explicit language:

Control binds all
Under restraits
Hidden motives
Dictate a way to live
Freedom Slave
Freedom Slave
New religion
World of disorder
A sublime campaign
Rapid decline but masses contained
Freedom Slave
Freedom Slave
Conformed ideals
To share the world
Deny freedom
Slavery
A new conflict
An insurrection
Slave to no one
Wealthy tyrants watch us suffer
A wheel in the hate machine
Obscured and can't be seen
Conditioned not to question
A subliminal suggestionThe power of the master
Leaves us all to suffer
The dying won't be saved
Kept as freedom slaves
Freedom slave
Freedom slave
