

# Perfect World

## Simple Plan

I never could have seen this far, I never could have seen this coming  
It seems like my world's falling apart, yeah  
Why is everything so hard?  
I dont think that I can deal with the things you said just wont go away  
In a perfect world this could never happen  
In a perfect world youd still be here  
And it makes no sense, I could just pick up the pieces  
But to you this means nothing, nothing at all  
I used to think that I was strong until the day it all went wrong  
I think I need a miracle to make it through, yeah  
I wish that I could bring you back  
I wish that I could turn back time 'cuz I cant let go  
I just cant find my way, yeah, without you I just cant find my way  
In a perfect world this could never happen  
In a perfect world youd still be here  
And it makes no sense, I could just pick up the pieces  
But to you this means nothing, nothing at all  
I dont know what I should do now  
I dont know where I should go  
Im still here waiting for you, Im lost when you're not around  
I need to hold on to you, I just cant let you go, yeah, yeah  
In a perfect world this could never happen  
In a perfect world youd still be here  
And it makes no sense, I could just pick up the pieces  
But to you this means nothing, nothing at all  
You feel nothing, nothing at all  
Nothing at all
