Not Missing Out

Distant Sun

Tell me why I've always got to miss out on the action
Maybe I just need to show a little more reaction
Well you know I've got no money and I'm nearing desperation now
and I'm stuck in watching TV trying to get some inspirationWell I know I'm supposed to be here but I don't know why that I keep falling out of line
Coming in and out of sight well I'm not missing out this time
I'm not missing out this timeHelp me find a quick release to get some resolution
Then we'd leave it all behind and start a revolution Hey Hey WoahWell I know I'm supposed to be here but I don't know why that I keep falling out of line
Coming in and out of sight well I'm not missing out this time
I'm not missing out this timeI hate to be defeatist and say that I can't do this, I'm full of bad excuses and I know but I've made a promise to decide exactly where my future lies 'cos I'm not missing out this timeNo I'm not missing out this timeNo I'm not missing out this time
No I'm not missing out this time
No I'm not missing out this time
No I'm not missing out this time
No I'm not missing out this time
