

Thrum In the Deep

Full of Hell

Tonal unbalance. Fractal waveworms.

Shuttered fluorescence.

Insular and mellifluous.

Invasive and entropic.

Bending in a tandem.

Eating marrow by vibration.

humming hoarse with desire

the sound of all being.

thrumming in all deepest pits.

A thrum in the deep.

catalytic trill.

blooming from God's feet.

from the chasm.

A soul unwound.

Ijudet av gud.

a thrum in the deep.

Ijudet av gud.
