

Make Your Mark

Drew Ryan Scott

We'll make a mark, we'll make a mark
We'll make a mark, we'll make a mark
We'll make a mark, we'll make a mark
We'll make a mark, we'll make a mark

Show time, strobe lights, good life, feels right

We're dancing, nothing could be better now, oh yeahWe could do whatever we like and get crazy

If you wanna hang, alright, be my baby

Take me around the world like Superman, save me

Braver, stronger like the Navy, daily

Please don't try to fake it, only truth and lights, creations

Spread the love, no heart is vacant

In the end we'll all be saying we gonnaMake your mark, make your mark on the dance floor

Make your mark, make your mark on the dance floor

It's time, it's time to start it up

Give all you got no matter what

Make your mark, make your mark on the dance floor

Make your mark, make your mark on the dance floor

Tonight we're gonna let it show

We are, we are unstoppable

Oh ohh oh oh, we'll make a mark

Oh ohh oh oh, on the dance floor

Oh ohh oh oh, we'll make a mark

Oh ohh oh oh, on the dance floor
