Unusual

Kate Voegele

I see the ghosts on the sidewalk
They're passing by
Everyone's wearing blinders
Identical minds
Am I the only one
Who doesn't wanna fall into line?
Am I?
'Cause I'll be pushing on
When everyone turns around
Be going upstream
When everyone's going down
In the center of the storm
But I still stand my ground, oh yeah
You can't change me
'Cause I don't wanna be like you
And I don't wanna live by your rules
I don't wanna try to fit in
To be typical
I'm just gonna be who I am
I just wanna live in a world
In a world where unusual is beautiful
Unusual is beautiful, oh yeah
I see them move in the shadows
Just wanna blend in
Always changing their colors like chameleons
Isn't anybody comfortable in their own skin?
'Cause I'll be pushing on
When everyone turns around
Be going upstream
When everyone's going down
In the center of the storm
But I still stand my ground
You can't change me
'Cause I don't wanna be like you
I don't wanna live by your rules
I don't wanna try to fit in
To be typical
I'm just gonna be who I am
I just wanna live in a world

In a world where unusual is beautiful
Unusual is beautiful, oh
I will find my way
It won't be the same as yours
My voice will be heard
These are not just words
It's all I'm fighting for
I don't wanna be like you
I don't wanna live by your rules
I don't wanna try to fit in
To be typical
I'm just gonna be who I am
I just wanna live in a world
In a world where unusual is beautiful
Unusual is beautiful, oh, oh
Unusual is beautiful, oh
