Whatever You Want

Olga

What ever you want, whatever you need
Whatever you want, whatever you need
Whatever you want

Oh, forget about what anyone is sayinâ€™
No, it ainâ€™t their business what we do
And forget about those past lingering feelings
Only want to think about me and you
Me and you

What ever you want, anything that I can do
Whatever you need, I will be there for you
Whatever you want, anything you want me to
Whatever you need, I will take care of you
Whatever you want

And there is nothing that I would not do
To keep that lovely sweet smile on you
There is nothing that is too great or small
Whatever I can, cause youâ€™re deserving
Some serving

What ever you want, anything that I can do
Whatever you need, I will be there for you
Whatever you want, anything you want me to
Whatever you need, I will take care of you
Whatever you want

Everyday
I will take you away

What ever you want, anything that I can do
Whatever you need, I will be there for you
Whatever you want, anything you want me to
Whatever you need, I will take care of you
Whatever you want

Whatever you want, whatever you need
Anything for you, cause youâ€™re so sweet and deserving
Youâ€™ve been so good to me

So let me take care of you, Iâ€™ll take care of everything
