

# I'm Looking for Blue Eyes

[Jessi Colter](#)

Im looking for blue eyes  
Has anyone seen him  
Dont you tell me  
He gave up on meIm looking for blue eyes  
Ive got to find him  
'Cause something tells me  
Hes looking for meThere was a time when  
Blue eyes said hed love no other  
His one and only love  
He swore Id beThere was a time when his blue eyes  
Saw clearer than mine did  
Storms and rain, tears and pain  
Bring me back his wayLooking for blue eyes  
Has anyone seen him  
No dont you tell me  
He gave up on meIm looking for blue eyes  
Ive got to find him  
'Cause something tells me  
Hes looking for meIm looking for blue eyes  
Has anyone seen him  
Dont you try to tell me
