

# Lose It

## Austra

Don't wanna lose you,  
I never knew you.  
your body's harmful, the very shape.  
the cracks are different, on every plate. Don't wanna lose you  
I get impatient, with every word  
the more you ask me, the more I've heard.  
this is a thirst that I never had,  
I never bled for another man. In the darkness come, another.  
hold her by the thumbs, the other.
