Dr. Sun

Ace Of Base

I don't want to be alone on the beach,no
Give me Dr. Sun, he's my man
I don't want to be alone on the beach,no
Angel of the night, give him to me
I believe to let a little sunshine in my life
I believe in him and me
My vacation is gonna be a pleasant memory
I will have him everyday
I'm gonna do what's good for me
I'm gonna meet Dr. Sun
Liaison dangereuse for me
I share it with the cream of girls
Who's the worst
In seeking Dr. Sun
I don't want to be alone on the beach,no
Give me Dr. Sun, he's my man
I don't want to be alone on the beach,no
Angel of the night, give him to me
I believe to let a little sunshine in my life
I believe in him and me
My vacation is gonna be a pleasant memory

I will have him everyday
I can never live without him, I can't stand it
I can never live without it, I can't stand it
I can never live without him, I can't stand it
I can never live without it, I can't stand it
Guess who
It's the famous Dr. Sun
I don't want to be alone on the beach,no
Give me Dr. Sun, he's my man
I don't want to be alone on the beach,no
Angel of the night, give him to me
I believe to let a little sunshine in my life
I believe in him and me
My vacation is gonna be a pleasant memory
I will have him everyday
I believe to let a little sunshine in my life
I believe in him and me

My vacation is gonna be a pleasant memory
I will have him everyday
