Pass It Along

Marmoset

Come on
Come on
Come on
Send this song to twenty people
Add your name, don't break the cycle
Pass it along by word of mouse
Save the world, don't leave the house
Because a virtual office in a virtual home
Means you'll never have to drive
Through the wrong part of town
Pass it along by word of mouse
Save the world, don't leave the house
Pass it along
Don't leave the house
Pass it along
Don't leave the house
Aah, where do you want to go today?
Aah, somewhere you could never take me
Aah, where do you want to go today?
Aah, somewhere you could never take me
Pass it along, pass it along
So here's your final resting place
Your heaven is protected by security gates
Shut out the world, it's getting worse
Save yourself, don't leave the house
Because a happy future is a thing of the past
And there's always another repeat
Shut out the world, it's getting worse
Save yourself, don't leave the house
Pass it along
Don't leave the house
Pass it along
Don't leave the house
Aah, where do you want to go today?
Aah, somewhere you could never take me
Aah, where do you want to go today?
Aah, somewhere you could never take me
Brave new world
(Aah)

Population one
(Where do you want to go today?)
(Aah)
Just pass it along
(Somewhere you could never take me)
Brave new world
(Aah)
Population one
(Where do you want to go today?)
(Aah)
Just pass it along
(Somewhere you could never take me)
Brave new world
(Aah)
Population one
(Where do you want to go today?)
(Aah)
Just pass it along
(Somewhere you could never take me)...
Yea
