

# Pass It Along

## Marmoset

Come on

Come on

Come on

Send this song to twenty people  
Add your name, don't break the cycle  
Pass it along by word of mouse  
Save the world, don't leave the house  
Because a virtual office in a virtual home  
Means you'll never have to drive  
Through the wrong part of town  
Pass it along by word of mouse  
Save the world, don't leave the house  
Pass it along  
Don't leave the house  
Pass it along  
Don't leave the house  
Aah, where do you want to go today?  
Aah, somewhere you could never take me  
Aah, where do you want to go today?  
Aah, somewhere you could never take me  
Pass it along, pass it along  
So here's your final resting place  
Your heaven is protected by security gates  
Shut out the world, it's getting worse  
Save yourself, don't leave the house  
Because a happy future is a thing of the past  
And there's always another repeat  
Shut out the world, it's getting worse  
Save yourself, don't leave the house  
Pass it along  
Don't leave the house  
Pass it along  
Don't leave the house  
Aah, where do you want to go today?  
Aah, somewhere you could never take me  
Aah, where do you want to go today?  
Aah, somewhere you could never take me  
Brave new world  
(Aah)

Population one  
(Where do you want to go today?)  
(Aah)  
Just pass it along  
(Somewhere you could never take me)  
Brave new world  
(Aah)  
Population one  
(Where do you want to go today?)  
(Aah)  
Just pass it along  
(Somewhere you could never take me)  
Brave new world  
(Aah)  
Population one  
(Where do you want to go today?)  
(Aah)  
Just pass it along  
(Somewhere you could never take me)...  
Yea
