

Ya Tvoi Vrag (i Am Your Enemy)

[T.a.t.u.](#)

Smoke of the cigars, Old bouquet 24 hours a day I am watching TV. The balcony is open wide And telephone doesn't ring. Cannot breathe without you And I am telling to myself. It just happened I am your enemy now It just happened What crime have I done? I won't ask for forgiveness. I am your enemy now City doesn't sleep. Time stops. Now , who are you playing with? Was announced boycott for me. I can not understand how to live now. Day or year, You can not forgive me. It just happened What crime have I done? I am your enemy now It just happened I am your enemy now I won't ask for forgiveness. [YA TVOI VRAG] Tvoy vrag Ya t'eper' tvoy vrag Tvoy vrag Dim sigaret Stariy buket Nastezh balkon Sutki smotru v televizor I molchit telefon I tverzhu pro sebya Zadihaus' bez tebya Ya t'eper' tvoi vrag Prosto poluchilos' tak Za kakoe prestuplenie Prosto poluchilos' tak Ya t'eper' tvoi vrag Ya n'e poproshu proshenia Vremya stoit Gorod ne spit S kem tvoi igri sevodnya D'en' ili god Ti ne mozhesh prostit' Mnye obyavlen boykot Ne poimu kak dal'she zhit' Prosto poluchilos' tak Za kakoye prestuplen'ye Prosto poluchilos' tak Ya t'tper' tvoi vrag Ya t'eper' tvoy vrag Ya ne poproshu proshen'ya Tvoi vrag Tvoi vrag Prosto poluchilos' tak Ya t'tper' tvoi vrag Za kakoye prestuplen'ye Ya ne poproshu proshen'ya Prosto poluchilos' tak Ya t'eper' tvoy vrag
