

# Intro

## Badly Drawn Boy

When a motherfucker tells me that his life's bad  
I tell him compared to what you been Baghdad  
Gaza, Basra, me and you are cool  
You got a car, I got a plasma  
Kids today got Nike Airs by the pile  
While somewhere else in the world  
For water, a likkle man's gotta walk barefoot  
In the blazing heat for more than nine miles  
Life could be so much harder  
You got to love and live your life  
In every single hood or wherever you may be  
Love and live your
