# I Still Miss Someone

## Joy Kills Sorrow

Round my door the leaves are falling
A cold wild wind will come
Sweethearts walk by together
And I still miss someoneNo I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was thereI wonder if he's sorry
For leaving what we'd begun
There's someone for me somewhere
But I still miss someoneNo I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there
