Rock, Rocking Tha Spot

Bomfunk MC's

Right about now, in this place to be
Most definitely the Bomfunk MC's dropping the bombWhole lotta soul as he cuts it up
Rock, rock and roll as he cuts it up
Cutmaster King with hardcore cuts
Makin' it rough, rock, rocking tha spotCool evidently as he cuts it up
Break, breakin' the funk as he cuts it up
Wounded heart with the B-Boys drop
Dropping the bomb, rock, rocking tha spotWatch behind move as he cuts it up
Delivering the groove as he cuts it up
Transforming the shit to the beat that rocks
Bad meaning, bad meaning, don't stopYou know you're itchy when he cuts it up
Place get wet as he cuts it up
Pure madness on wheels, throw 'em up, throw 'em up
Go, Gismo, go, let me see what you're made ofHear me out now 'cause mic, I will rock
You can't say, I'm not 'cause the mic, I'll rock
(Bom bom)
You feel lick a shot, you feel lick a shot
