# Turn off the light

## Reepublic

I know what's in store
If I stay here in your arms
I learned it before
But ignored all the alarms
Know I should run, run far way
Know I should leave you now and never turn back
Then you take my breath away
It's too hard to see
It's too hard to fight
Turn off the light

If I open my eyes
Then it all becomes too real
A broken paradise
That has too much to reveal
Know I should push you far away
Know i should leave you now and never turn back and then you hold me in your arms
I barely can breath
I don't wanna see
Turn off the light
