Super Cali

Orlando Brown

Supercalifragilisticexpialidocious
Even though the sound of it
Is something quite atrocious
If you say it loud enough
You'll aways sound precocious
SupercalifragilisticexpialidociousSo then I was afraid to speak
When I was just a lad
My father gave my nose a tweak
And told me I was badBut then one day, I learned a word
To save my aching nose
The biggest word, you've ever heard
And this is how it goesSupercalifragilisticexpialidocious
Even though the sound of it
Is something quite atrocious
If you say it loud enough
You'll aways sound precocious
SupercalifragilisticexpialidociousSupercalifragilisticexpialidocious
Even though the sound of it
Is something quite atrocious
If you say it loud enough
You'll aways sound precocious
SupercalifragilisticexpialidociousI traveled all around the world
And everywhere I went
I used this word in all I say
[Incomprehensible]
I say my special word
And then they ask me out for tea
