## Sex Me Up

## **Datarock**

Sex me up And I'll sex you down Whatever you want Is my commandI'm into S & M, butch or femme And now don't you understand I'm into any ma'amSex me up And I'll sex you down I get on the floor I'll turn aroundGet on my hands and knees On your command I'll freeze I hope this never cease Come get me, won't you pleaseBut she won't hold me And she won't squeeze me From what she told me She'd never please meBut she won't hold me And she won't squeeze me From what she told me She'd only tease meShe said, "Sex me up And I'll sex you down Whatever you want Is my command"I'm into S & M, butch or femme And now don't you understand I'm into any, ma'amBut she won't hold me And she won't squeeze me From what she told me She'd never please meBut she won't hold me And she won't squeeze me From what she told me She'd only tease meSex me up and I'll sex you down Sex me up and I'll sex you down Sex me up and I'll sex you down
