Sit-ups, push-ups and write a new rhyme

I'm about to lock it so I'ma write this letter

Was your day okay? Is your mother better?

I'ma put this bid in, cause summertime is comin

And when it start gettin hot, also tired of cummin

I'm in dorm two lower ma, here's my address

Send my G-Unit and my mailin package

Now Suzie, you know I would never try to use you or fool you

But can your friend Kim be my mule boo?

Give me some days, I'ma write you back

Send that new don diva a quarter a pack

And when you come to my visit, don't wear no drawers

It's your pimp, your playa, sincerely yours

Goodbye.. goodbye.. goodbye.. goodbye

[Chorus]

[Tony Yayo]

I went from Manhattan coons to Allana downstate

To Oster County and then shock upstate

But anyway ma I be home in January

'til then, keep it tight like the Holy Virgin Mary
And had a rumble in my house, a sneak thief got cut
From his ear to his chin got his ass ripped up
I got the phone on lock, from nine to ten
I just got off the jack, with 50 and Em
Listen Ms. X-and-O, you love my flow
Baby I'm waitin on your mail, here come the C.O
Ma it's Tony Yayo, girl I'm bound to blow
I can't wait to come home and perform a show
Get some ice from Jacob's, so my neck can glow
Twist some haze, twist some hash and a pound of dro
Buy some dice, throw chips, matter fact c-low
Dear groupie lights out, girl it's time to go

[Chorus]
