

# Hey Little Girl

**Del Shannon**

Last night I walked through the streets of my town.  
I saw the shadow of a girl I had known.  
And through the shadows I could see many tears,  
And so I walked up and I said, "Hey, little girl,  
Let me fix your broken heart.  
I'll replace each broken part that's gone.  
Because I know I could try,  
Hey, little girl, my heart's been broken too." "Do you remember last September  
When I met you at a dance?  
You were with a guy named Joe  
And all at once he said you had to go.  
I never even caught your name!" "Hey, little girl,  
I've been searching everywhere,  
Here, there, everywhere for you  
Because I have cried for you  
Hey, little girl, I'm so in love with you!"
