

May Your Wonders Never Cease

Third Day

Father in Heaven
Lord, may Your name be glorified
Above all others, above all this world
Above everything else in our lives For nothing else in all of this world matters
But to live our lives for You and You alone May Your wonders never cease
May Your spirit never leave
May we ever long to see Your face When we turn from You again
Oh how quickly we forget
May we be reminded of Your grace
May Your wonders never cease Beautiful Saviour
Truly You proved Your love for us
While we as sinners in all our weakness
Still You gave Your life on the cross You saved us, Lord, from all of our transgressions
And delivered us into Your loving arms May Your wonders never cease
May Your spirit never leave
May we ever long to see Your face And when we turn from You again
Oh how quickly we forget
May we be reminded of Your grace
May Your wonders never cease Father in Heaven
Lord, may Your name be glorified
And above all others, above all this world
Above everything else in our lives For nothing else in all of this world matters
But to live our lives for You and You alone May Your wonders never cease
May Your spirit never leave
May we ever long to see Your face And when we've turned from You again
Oh how quickly we forget
May we be reminded of Your grace
May Your wonders never cease May Your wonders never cease Lord
May Your wonders, may Your wonders Lord
And may Your wonders never cease, oh yeah May Your wonders never cease Lord
And may Your spirit never leave us
Oh we long to see Your face
Show Your glory and Your grace
May Your wonders never cease, oh yeah
