

Body Party

Ciara

My body is your party, baby
Nobody's invited but you baby
I can do it slow now, tell me what you want
Baby put your phone down, you should turn it off
Cause tonight is going down, tell your boys is going down
We in the zone now, don't stop You can keep your hands on me, touch me right there, rock my body
I can't keep my hands off you, your body is my party
I'm doing this little dance for you
You got me so excited
Now it's just me on you
Your body's my party, let's get it started Boy you should know that your love is always on my mind
I'm not gonna fight it, I want it all the time
Boy you should know that your love is always on my mind
I can't it deny it, I want you, I want you I can't lie, I won't lie, it's amazing
My faces, the places, you're taking me Baby take your time now, there's no need to rush
We can go another round, if that's what you want
Cause tonight is going down, yeah you know it's going down
We in the zone now, don't stop You can keep your hands on me, touch me right there, rock my body
I can't keep my hands off you, your body is my party
I'm doing this little dance for you
You got me so excited
Now it's just me on you
Your body's my party, let's get it started Boy you should know that your love is always on my mind
I'm not gonna fight it, I want it all the time
Boy you should know that your love is always on my mind
I can't it deny it, I want you, I want you The things I wanna do to you
My body's calling you
I'm having so much fun with you
Now it's just me on you
Your body's my party, let's get it started, oh
