City of Angels

The Miracles

Walking your seashores and staring in to space
Dreaming of your people that possess your charm and grace
Oh I love you L.A. (City of Angels)
Please don't go away (Please don't go) (Please don't go away)
Will you fall into the sea? (Will you fall into the sea?)
And forsake me.City of angels you have faults in your land
People say you'll crumble and your beauty will no longer stand
Oh I love you L.A. (City of Angels)
Please don't go away (Please don't go)(Please don't go away)
Will you fall into the sea? (Will you fall into the sea?)
And forsake me.
Will you disappear from the earth just like Atlantis did?
Each and every night I'll say a prayer for heaven to forbid
I could never live without you my salvation I would give to you
If you stay (please stay) don't go away (don't go away)Your soft breeze through the palm trees whisper longing goodbyes
Vibrations say you're fading as the tears nestle in my eyes.
Oh I love you L.A. (City of Angels)
Please don't go away (Please don't go) (Please don't go away)
Will you fall into the sea? (Will you fall into the sea?)
And forsake me.
No please don't go away
Oh I love you L.A. (City of Angels)
Please don't go away (Please don't) (Please don't go away)
Will you fall into the sea? (Will you fall into the sea?)
And forsake me.
Ahh... Ahh... Ah.Ah.Ah
Ahh... Ahh... Ah.Ah.Ah
