## Linkin Park

Why does it feel like night today?  
Something in here's not right today  
Why am I so uptight today?  
Paranoia's all I got leftI don't know what stressed me first  
Or how the pressure was fed  
But I know just what it feels like  
To have a voice in the back of my headIt's like a face that I hold inside  
A face that awakes when I close my eyes  
A face watches every time I lie  
A face that laughs every time I fall(And watches everything)  
So I know that when it's time to sink or swim  
That the face inside is hearing me  
Right underneath my skinIt's like I'm paranoid lookin' over my back  
It's like a whirlwind inside of my head  
It's like I can't stop what I'm hearing within  
It's like the face inside is right beneath my skinI know I've got a face in me  
Points out all my mistakes to me  
You've got a face on the inside too  
And your paranoia's probably worseI don't know what set me off first  
But I know what I can't stand  
Everybody acts like the fact of the matter is  
I can't add up to what you canBut everybody has a face that they hold inside  
A face that awakes when I close my eyes  
A face watches every time they lie  
A face that laughs every time they fall(And watches everything)  
So you know that when it's time to sink or swim  
That the face inside is watching you too  
Right inside your skinIt's like I'm paranoid lookin' over my back  
It's like a whirlwind inside of my head  
It's like I can't stop what I'm hearing within  
It's like the face inside is right beneath my skinIt's like I'm paranoid lookin' over my back  
It's like a whirlwind inside of my head  
It's like I can't stop what I'm hearing within  
It's like the face inside is right beneath my skinThe face inside is right beneath the skin  
The face inside is right beneath the skin  
The face inside is right beneath the skinThe sun goes down  
I feel the light betray me  
The sun goes down  
I feel the light betray meThe sun

(It's like I'm paranoid lookin' over my back)  
(It's like a whirlwind inside of my head)  
(It's like I can't stop what I'm hearing within)  
I feel the light betray me  
(It's like the face inside is right beneath my skin)The sun  
(It's like I'm paranoid lookin' over my back)  
(It's like a whirlwind inside of my head)  
(It's like I can't stop what I'm hearing within)I feel the light betray me  
(It's like I can't stop what I'm hearing within)  
(It's like I can't stop what I'm hearing within)  
(It's like the face inside is right beneath my skin)
