

# Remembered

Jordan Allen

He's got this bench pressed up against his chest,  
Has it clicked or has he just second guessed.  
And it took a while for the penny to drop,  
but now you're rolling downhill and the breaks are off. I said, stop for a second and look around,  
is this how you wanna live with your head in the ground? So tidy up, look the part, cos it starts today.  
Example A, please lead the way. 'Cos I wanna be Remembered and I wanna be seen,  
Not just another could'a, would'a, should'a been.  
'Cos I wanna be Remembered and I wanna be seen. Will you make it stick or will you make it stop,  
will you knock it on the head or will you box it off?  
Who's to say the blood won't clot,  
but you never know you might stop the rot, so. Hold that thought and turn down the music,  
my next word is a weapon and I plan to use it. 'Cos I wanna be Remembered and I wanna be seen,  
Not just another could'a, would'a, should'a been.  
'Cos I wanna be Remembered and I wanna be seen. Well I'm tired of fucking around,  
I wanna be someone I wanna be 'em now.  
I knock spots off that lot, cos I don't think  
I'm something that I'm not.  
So tell me why I can't be me?  
I know I'm arrogant, but I never fail to please.  
They said my dreams are hard to believe,  
but I'm more a handful than they first conceived. Cos I wanna be Remembered.  
I wanna be Remembered. I wanna be Remembered and I wanna be seen,  
not just another could'a, would'a, should'a been.  
'Cos I wanna be Remembered and I wanna be seen,  
not just another could'a, would'a, should'a been.
