

# Nothing to Lose

## Diamond Head

All the people look the same  
Something's got to give I need a change  
So down this road I go  
With Jimmy showing me the way to go  
Got to free me got to break this chain  
Get out get away a new town a new day  
I wanna get me more  
I can't be living a lie anymore  
I'm gonna find what I'm looking for  
Got nothing to lose  
Nothing to prove  
Nothing to live for anymore  
Take it from me  
I'm not what you see  
I'm not the same man you knew before  
I'm not the same  
Baby I've changed I was deep down in a hole  
And I think I'm gonna lose control  
Never had a hope in hell  
Where I'm going only time will tell  
Gonna take my chances let it roll  
Get out get away a new town a new day  
I wanna get me more  
I can't be living a lie anymore  
I'm gonna find what I'm looking for  
Got nothing to lose  
Nothing to prove  
Nothing to live for anymore  
Take it from me  
I'm not what you see  
I'm not the same man you knew before  
Nothing to lose  
Nothing to prove  
I'm not the same man you knew before  
I'm not the same baby I've changed  
I'm gonna choose a path with a heart  
And I really think it's time to start  
Got nothing to lose got nothing got nothing to prove got nothing  
I got nothing to lose got nothing I got nothing to prove got nothing  
I got nothing I got nothing I got nothing to lose got nothing

I got nothing I got nothing I got nothing to lose nothing to prove
