

Lips Of An Angel - Acoustic Version

Hinder

Honey why you calling me so late
It's kinda hard to talk right now
Honey why you crying is everything okay
I gotta whisper 'cause I can't be too loud
Well, my girl is in the next room
Sometimes I wish she was you
I guess we never really moved on
It's really good to hear your voice saying my name
It sounds so sweet
Coming from the lips of an angel
Hearing those words it makes me weak
And I never wanna say goodbye
But girl you make it hard to be faithful
With the lips of an angel

It's funny that you're calling me tonight
And yes I've dreamt of you too
And does he know you're talking to me
Will it start a fight
No I don't think she has a clue
Well my girl is in the next room
Sometimes I wish she was you
I guess we never really moved on
It's really good to hear your voice saying my name
It sounds so sweet
Coming from the lips of an angel
Hearing those words a it makes me weak
And I never wanna say goodbye
But girl you make it hard to be faithful
With the lips of an angel

It's really good to hear your voice saying my name
It sounds so sweet
Coming from the lips of an angel
Hearing those words it makes me weak
And I never wanna say goodbye
But girl you make it hard to be faithful
With the lips of an angel
(And I never wanna say goodbye)

But girl you make it so hard to be faithful

With the lips of an angel

Honey why you calling me so late
