That Sounds Like an Opposite to Me!

Barney

Well, it's getting late, we better start heading home now
Baby Bop, will you turn off the lights as we leave?Turn on the lights?
Turn off the lights
Turn on the lights?Oy, oy, oy, sissy
Barney said, "Turn off the lights"
That's the opposite of 'On'
What's an opposite?Bouncing a ball, bouncing a ball
What does it do? Let's see
It goes up, down, up, down
That sounds like an opposite to me!There is a door, there is a door
What does it do? Let's see
It goes open, close, open, close
That sounds like an opposite to me!If it does one thing
And then it does the other
It could be opposite
As we have discoveredI hear a voice, I hear a voice
What will it do? Let's see
It sings high, low, high, low
Hmm, that sounds like an opposite to me!Let's take a breath, let's take a breath
What do we do? Let's see
We breathe in, out, in, out
Well, that sounds like an opposite to me!If it does one thing
And then it does the other
It could be opposite
As we have discoveredDo you wanna try, Baby Bop?
Well, okay, BarneyThere is a light, there is a light
What does it do? Let's see
Oh, it goes on, off, on, off
Hmm, that sounds like an opposite to me!
Yeah, that sounds like an opposite to me!
