

Return of White Rabbit

Ash

Hello, Can you take me home?
I followed the rabbit and now I am lost and alone
Please, Caught in a dream
Locked in a nightmare that's all closing in on me
Is this the end of the line my friend?
I don't wanna know, I don't wanna go
Can't stop the fire burning in my head
I don't wanna go, I don't wanna know anymore
I don't wanna go, I feel paralyzed
Fetal position, I can't get you out of my mind
Fear, It's creeping near
Paranoid visions of two things becoming unclear
Is this the end of the line my friend?
I don't wanna know, I don't wanna go
Can't stop the fire burning in my head
I don't wanna go, I don't wanna know anymore
I don't wanna go, Is this the end of the line my friend?
I don't wanna know, I don't wanna go
Can't stop the fire burning in my head
I don't wanna go, I don't wanna know anymore
Is this the end of the line my friend?
Is this the end of the line my friend?
