Obsession

Animation

you are an obsession
I cannot sleepI am a possession unopened at your feet.
There's no balance
no equalityBe still
I will not accept defeat.
I will have you
yes
I will have youI will find a way and I will have you.
Like a butterfly
a wild butterflyI will collect you and capture you.
You are an obsession
you're my obsessionWho do you want me to be to make you sleep with me?
You are an obsession
you're my obsessionWho do you want me to be to make you sleep with me?
I feed you and drink you by day and by night.
I need you
I need you by sun and candle light.
You protest
you want to leave.
Stay
oh
there's no alternative.
You see some beauty here
I see some beauty thereBut I see danger
stranger beware.
A circumstance
when you make your dreamsYour affection is not what it seems.
You are an obsession
you're my obsession
. . .
My fantasy has turned to madnessAnd all my goodness has turned to badness.
My need to possess you has consumed my soul.
My life is trembling
I have no control!
I will have you
yes
I will have you
. . .
You are an obsession

you're my obsession

. . .

You are an obsession

you're my obsession

. . .

You are an obsession

you're my obsession

. . .
