

# Obsession

## Animation

you are an obsession

I cannot sleep I am a possession unopened at your feet.

There's no balance

no equality Be still

I will not accept defeat.

I will have you

yes

I will have you I will find a way and I will have you.

Like a butterfly

a wild butterfly I will collect you and capture you.

You are an obsession

you're my obsession Who do you want me to be to make you sleep with me?

You are an obsession

you're my obsession Who do you want me to be to make you sleep with me?

I feed you and drink you by day and by night.

I need you

I need you by sun and candle light.

You protest

you want to leave.

Stay

oh

there's no alternative.

You see some beauty here

I see some beauty there But I see danger

stranger beware.

A circumstance

when you make your dreams Your affection is not what it seems.

You are an obsession

you're my obsession

...

My fantasy has turned to madness And all my goodness has turned to badness.

My need to possess you has consumed my soul.

My life is trembling

I have no control!

I will have you

yes

I will have you

...

You are an obsession

you're my obsession

...

You are an obsession  
you're my obsession

...

You are an obsession  
you're my obsession

...
