Gucci Mane

Advisory - the following lyrics contain explicit language:

Like Tommy Lee and Pamela
I'm fucking on a camera
More stamina
Than Animals
Gucci is no amateur
Jeru the Damaja
Could damage you or handle you
2 girls on my bike, one on the back one on the handle bars
Ferrari F-430, so I call that bitch Tarantula
Got Canada on calendar, so shout out to my manager
I walk through in South Africa
I showed them my 4 Acuras
I flip it just like spatula
So suck me just like Dracula Polo like a college boy
No I'm not a college boy
I am a So Icey boy
I'm tatted like a biker boy
We are the So Icey gang
Tatted like a biker gang
Dreaded up
Redded up
Wetted up
And bet it up
Bitch you don't want bet
Pull up in my Chevy Vett
Nah you ain't ready yet
Wetter than your girl get
Dolce 'Bana, Dolce shades, Don't you wanna see the boy?
See the boy, see the boy
Come and take a Polaroid, Polaroid
Camera flash, camera flash I see your ass
Looking with your looking ass

So come and take a camera flash
Jewelry game amazing
Car game crazy
Gucci Mane LaFlare walking 'round the city, say cheese
Riding with my broad, it's a photo shoot
When I hit the mall, it's a photo shoot
When I'm in the club, it's a photo shoot
Gone and get your camera phone on, it's a photo shoot
It's a photo shoot
Girl it's a photo shoot
It's a photo shoot
Girl it's a photo shoot
When I'm with your girl every time it's a photo shoot
Gone get your camera phone on it's a photo shoot
Photogenic chain man
Photographic memory
I can fuck your thang but I don't fuck hoes in industry
Gucci Mane LaFlare So Icey you remember me
Remember me from TV turning on your TV
Hip-hop police say they looking after me
How you looking after me? You know I had a murder beat
Yea I got a murder beef, I'm just trynna get something to eat
Me and my lil main squeeze
Give a nigga brain please
Chain on Frigidaire, watches on the refrigerator
Friderate, refriderate I'm freezing like a polar bear
Red carpet shawty and the paparazzi chasing me
How they gone catch me? I'm riding in a Lamborghin
Riding with my broad, it's a photo shoot
When I hit the mall, it's a photo shoot
When I'm in the club, it's a photo shoot
Gone and get your camera phone on, it's a photo shoot
It's a photo shoot
Girl it's a photo shoot
It's a photo shoot
Girl it's a photo shoot
When I'm with your girl every time it's a photo shoot
Gone get your camera phone on it's a photo shoot
Me and Boosie smoking fruity
It look like a photo shoot
Shout out to my nigga Webbie, my hoes independent too
Me and Shawty Lo in a Duely smoking purple dro
Me and Gotti in a Benz
Man you know we get it in
Me, Black, And Gorilla Zoe
In the studio by Club Enzo
And Zone 6 Morning Avenue Memorial Drive you know
For sure
Shawwna fine and Trina tight

I kill them girls like Killa Mike
Killa Mike, I kill the mic
So shout out to Slick, Killa Mike
Me and Plies chinky eyes
Back to back in Hummers so its ten times
Double wide
30 inches on you guys
UGK my favorite group for years been riding with them guys
8 ball told 'em lay it down and I did that 'bout 30 times
Riding with my broad, it's a photo shoot
When I hit the mall, it's a photo shoot
When I'm in the club, it's a photo shoot
Gone and get your camera phone on, it's a photo shoot
It's a photo shoot
Girl it's a photo shoot
It's a photo shoot
Girl it's a photo shoot
When I'm with your girl every time it's a photo shoot
Gone get your camera phone on it's a photo shoot
