Freedom

Stratovarius

Higher I set my goals everyday I make my own rules that
I will obey each moment
As long as I live
This is the life I was born to lead
Unique chance for me to express myself
And fulfill my dreams
I'm in control of this ship of mine
And everything will be just fine
Like the wind I'm free to go anywhere I got my song, it dances in the air
Now I know what I'll do with my life
Now you will hear my freedom call
All those bad times I've had in my life
Change into blessings if I change the point of view I needed them to grow
I've changed so much, I'm finally free
To do what I want without any fear and quilt It's so amazing
I'm in control
Like the wind
