

Stadium Arcadium (Album Version)

Red Hot Chili Peppers

Bells around Saint Petersburg
When I saw you I hope I get what you deserve
And this is where I find Smoke surrounds your perfect face
And I'm falling Pushing a broom out into space
And this where I find the way The stadium arcadium
A mirror to the moon (a mirror to the moon)
Well I'm forming and I'm warning
State of the art
Until the clouds come crashing Stranger things have happened
Both before and after noon (before and after noon)
Well I'm forming and I'm warning
Pushin' myself
And no I don't mind asking
Now Alone inside my forest room
And it's storming I never thought I'd be in bloom
But this is where I start Derelict days and the stereo plays
For the all night crowd
That it cannot phase
And I'm calling Tedious weeds that the media breeds
But the animal gets what the animal needs
And I'm sorry The stadium arcadium
A mirror to the moon (a mirror to the moon)
Well I'm forming and I'm warning
State of the art
Until the clouds come crashing Stranger things have happened
Both before and after noon (before and after noon)
Well I'm forming and I'm warming
Pushin' myself
And no I don't mind asking
Now And this is where I find Rays of dust that wrap around
Your citizen Kind enough to disavow
And this is where I stand The stadium arcadium
A mirror to the moon (a mirror to the moon)
Well I'm forming and I'm warning
State of the art
Until the clouds come crashing Stranger things have happened
Both before and after noon (before and after noon)
And I'm forming and I'm warning
Pushin' myself

And no I don't mind asking The stadium arcadium
A mirror to the moon (a mirror to the moon)
Well I'm forming and I'm warning
State of the art
Until the clouds come crashing Stranger things have happened
Both before and after noon (before and after noon)
Well I'm forming and I'm warning
To you
