

Can You Do It (feat. Brian Johnson)

Geordie

Can you do it? Can you do it?
Do it like you did last night
Can you do it? Can you do it?
Do it like you did last night
Oh, oh, sure felt alright
Oh, oh, sure felt alright Can you hold me? Can you hold me?
Hold me like you did last night
An' can you love me? Can you love me?
Love me 'cause it sure felt right
Oh, oh, sure felt alright
Oh, oh, sure felt nice So come on, come on, come on, come on keep grooving
Come on, come on, come on, come on keep grooving Can you do it? Can you do it?
Do it like you did last night
Can you squeeze me? Can you tease me?
Oh yeah, sure felt nice
Oh, oh, sure felt alright
Oh, oh, sure felt alright So come on, come on, come on, come on keep grooving
Come on, come on, come on, come on keep grooving Can you do it? Can you do it?
Do it like you did last night
Can you love me? Can you love me?
Love me, it sure felt alright
Oh, oh, sure felt alright
Oh, oh, sure felt alright Oh yeah, last night
Yeah, you did last night
