Running to You

Newsboys

Somebody told me about a place, oh, I can see it
But I've got to change my ways
Day after day it's the same old thing I keep repeating
The reason I stay this wayI know what I have to do
Get back to what I know is trueWhen everything is broken there's a door wide open
You'll find me running through
More than just emotion, my broken heart has chosen
Jesus, I'm running to You, I'm running to YouI'm running, running to You
I'm running, running to YouI can see the tear on your face, you feel defeated
Wondering what are you living for
Selfish dreams left you time and time, empty-handed
There's got to be something moreYou know what you have to do
Get back to who you know is trueWhen everything is broken there's a door wide open
You'll find me running through
More than just emotion, my broken heart has chosen
Jesus, I'm running to You, I'm running to YouYou're the only one
Who can fix what I've become
Oh God, I believe in Your loveWhen everything is broken there's a door wide open
You'll find me running to You
More than just emotion, my broken heart has chosen
Jesus, I'm running to You, I'm running to You
I'm running to You, I'm running to YouI'm running, running to You
I'm running, running to You
I'm running to You
