

Lighter

Walking Shapes

I don't want to fallâ€™any faster
Than the world spinning roundâ€™
I've been washing down
Take it as it comes, live life lighterâ€™
I donâ€™t want to feel, not today. â€™
All my times a waste

Glitter and goldâ€™who do you want to be?â€™
Purple yellowâ€™how do you want to feel?â€™
Let it go

I donâ€™t want to roll any faster
Than the world spinning roundâ€™
Everyone come downâ€™

People relax

Glitter and goldâ€™who do you want to be?â€™
Purple yellowâ€™how do you want to feel?â€™
Let it go

Who are you fooling, child?
