

# Yr Mangled Heart (Guns'N'Bombs Trashbags Remix)

## Gossip

If everything you do has got a hold on me  
Then everything I do has got a hole in it  
I've been here before I should be used to it  
But I can't take it no more, I can't take it no more  
Oh whoa, oh whoa whoa whoa[Chorus]

Your mangled heart, your battered love that's hanging on to memories

You're letting go of everything that used to be

I've had enough, you'll build me up to let me down, yeahIf everything I do has got a hole in it  
Then everything you do has got a hold on me  
I've been here before I should be used to it  
But I can't take it no more, I can't take it no more

Oh whoa, oh whoa[Chorus]Your mangled heart, your battered love that's hanging on to memories  
You're letting go of everything that used to be

I've had enough, you'll build me up to let me down, heyI don't want the world, I only want what I deserve  
I don't want the world, the world, I only want what I deserve

I don't want the world, the world, I only want what I deserve[Chorus]Your mangled heart, your battered love  
that's hanging on to memories  
You're letting go of everything that used to be  
I've had enough
