

Making a Memory

Plain White T's

Friday night's such a beautiful night, where you going?
I didn't mean to blow it
You're upset and I don't know what I said but I'm sorry
Don't you give about me? Take off your jacket
Don't walk out that door You and me, we should be
Making a memory whenever we're together, yeah
Look at me, can't you see?
We were meant to be making a memory Don't pretend, you're not smiling again, let's just leave it
You know I didn't mean it
Don't know why we put up such a fight over nothing
We could still be something Take off your jacket
Don't walk out that door
There's no need to leave anymore, yeah You and me, we should be
Making a memory whenever we're together, yeah
Look at me, can't you see?
We were meant to be making a memory Can't do this myself
No, I need some help, wanted some help Friday night's such a beautiful night
Now you're staying You and me, we should be
Making a memory whenever we're together, yeah
Look at me, can't you see?
We were meant to be making a memory Friday night's such a beautiful night now you're staying
(Making a memory, making a memory)
Don't know why we put up such a fight over nothing
(Making a memory, making a memory)
