## Rebecca Zapen

Ledge  
Rebecca Zapen

Talk me off the ledge  
Clearly I am quite on edge  
Tell me things are simpler on the ground  
Sing a lullaby  
Hush my baby don't you cry  
There are worse things out there  
I have found  
Twilight brought new heights for my heart to scale  
Da da da daylight brought hindsight and my dreams  
Let's stay on  
Act like you don't care  
We were an unlikely pair  
Who said all in life and love was fair
