

No Place To Go (1st LP Mastertape 1999)

Fleetwood Mac

How many more year, have you got to wreck my life
How many more year, have you got to wreck my life
Well, the way you done me, gonna wreck my lifeHow many more time, you gonna treat me like you do
How many more time, you gonna treat me like you do
You spend all my money, all my lovin' tooNow I'm old and gray, Got no place to go
Now I'm old and gray, Got no place to go
You got yourself a youngster, you can't stand me no more
