

# GREEDY

## Momo

See I'm a wanted man barely living in these streets  
Since child support saw fit to put a warrant out on me  
Say I owe 'em sixty-five hundred and they want their money  
And it's so funny 'cause they know, I ain't got that kinda dough  
Like it's my fault that she got on welfare  
I told her we can go half on the Similac and the daycare  
But no, she got comfortable at the bottom and wanted to stay there  
And I don't know how this gonna turn out  
So y'all keep me in your prayers  
Oh, this crazy, lazy lady  
Using this baby for revenge and money  
And I don't think it's funny that she plays the innocent mother  
When it's the other way around, she ain't needy, she greedy  
See when I start back working they gonna take all my dough  
And then they wonder well, what the hell I ain't working fo?  
All of this attention on this boy about some back child support  
When they killing each other by the dozens out here  
Every day just for sport  
With bills stacked up to his chinny-chin-chin summoning him to court  
Then all of his friends call him a worry-wart

Now all the money they gave her, I gotta give it back  
Like I was the one living rent free and getting food stamps  
Oh, this crazy, lazy lady  
Using this baby for revenge and money  
And I don't think it's funny that she plays the innocent mother  
When it's the other way around, she ain't needy, she greedy  
No, say it again y'all  
Get your own Ma  
Get your own Ma  
You're just greedy  
Oh, this crazy, lazy lady  
Using this baby for revenge and money  
And I don't think it's funny that she plays the innocent mother  
When it's the other way around, she ain't needy, she  
Oh, this crazy, lazy lady  
Using this baby for revenge and money  
And I don't think it's funny that she plays the innocent mother  
When it's the other way around, she ain't needy, she greedy
