

# Along the Santa Fe Trail

Glenn Miller Orchestra, Ray Eberle

Angels come to paint the desert nightly  
When the moon is beaming brightly  
Along the Santa Fe trail  
Stardust scattered all along the highway  
On a rainbow-colored sky way  
Along the Santa Fe trail

Beside you  
I'm riding every hill and dale  
Wide shadows hide you  
Just like a pretty purple veil  
Thereby hangs a tale

I found you  
And the mountains that surround you  
Are the wall I built around you  
Along the Santa Fe trail
