

# Falling Off the Edge of the World

## Heaven & Hell

I think about closing the door  
And lately I think of it more  
I'm living well out of my time  
I feel like I'm losing my mind I should be at the table round  
A servant of the crown  
The keeper of the sign  
To sparkle and to shine  
Never, no never again  
Listen to me and believe what I say if you can  
Never, this is the end  
You know I've seen the faces of doom  
And I'm only a man  
Help me, tell me I'm sane  
I feel a change in the earth  
In the wind and the rain  
Save me, oh take me away  
You know I've seen some creatures from hell  
And I've heard what they say  
I've got to be strong  
Oh, I'm falling off the edge of the world Uh  
Think you're safe, but you're wrong  
We are falling off the edge of the world  
Look out there's danger  
Nowhere to run  
It seems like desperate measures but sometimes  
It's gotta be done Over, it's over at last  
And a message's inside  
As we build a new life from the past  
We're falling off the edge of the world  
Yes, the edge of the world  
It's the end of the world
