## Muse

She had something to confess to  
But you dont have the time so  
Look the other wayYou will wait until it's over  
To reveal what you'd never shown her  
Too little much too lateToo long, trying to resist it  
You've just gone and missed it  
Its escaped your worldCan you see that I am needing  
Begging for so much more  
Than you could ever giveAnd I don't want you to adore me  
Don't want you to ignore me  
When it pleases you  
And I'll do it on my ownI have played in every toilet  
But you still want to spoil it  
To prove I've made a big mistakeToo long, trying to resist it  
You've just gone and missed it  
It's escaped your worldCan you see that I am needing  
Begging for so much more  
Than you could ever giveAnd I don't want you to adore me  
Dont want you to ignore me  
When it pleases you
