## OST Kill Bill

You don't ask much now  
You don't ask much of me, now  
You don't belong here  
But you'll never leave, now Don't ask me, please, not anyone  
Just let me be  
I tried to be like anyone  
When I'm alone with me You took the long way  
You took the long way home, again  
Now, you sleep late  
Now, you sleep alone with them Don't ask me, please, not anyone  
Just let me be  
I tried to bleed like anyone  
When I'm alone with me Wouldn't it be sweet  
To let a good thing die?  
Make my life complete  
Make me wonder why Don't ask me, please, not anyone  
Just let me be  
I tried to bleed like anyone  
When I'm alone with me
