The Danger In Starting A Fire

Day To Remember@@a

Tonight I'm sending you a message
This is the end of an era, the end of second chances
In the face of defeat, I'm winning
Yet you still have so much left to sayOh, they're coming straight for me
Oh, they're coming straight for me
Read between the lines
We can't give in this timeJust let me go for now I'll be just fine
Don't you know, don't you know now that I'm back on my own
Just let me go for now I'll be just fine
Don't you know, don't you know now that I'm back on my ownTell me how it feels
To watch the walls of your security crumble
I remember you, you took the easy way out
When I gave you something to stand forOh, they're coming straight for me
Oh, they're coming straight for me
Read between the lines
We can't give in this timeJust let me go for now I'll be just fine
Don't you know, don't you know now that I'm back on my own
Just let me go for now I'll be just fine
Don't you know, don't you know now that I'm back on my ownI was just another promise that you couldn't keep
I was just another promise that you couldn't keepRead between the lines
We can't give in this timeJust let me go for now I'll be just fine
Don't you know, don't you know now that I'm back on my own
Just let me go for now I'll be just fine
Don't you know, don't you know now that I'm back on my own
